*Sing a daily Hallelujah*

# *Sing a Hallelujah!*

*Welcome to the month of Undaunted Worship. As the definition of 'undaunted' would suggest, Undaunted Worship is when we are still determined and enthusiastic about worshipping God despite our problems, lack of success and the attacks of our Daunters.*

*Each day we have a new scripture that focuses on worship and you will also find a challenge for the day to sing an Undaunted Hallelujah.*
